

Help Kids Ride More Comfortably in a Full-Sized Western Saddle

**Ride With
The Leader**

Comfortable, convenient and time saving – Lil' Dude Stirrups by Weaver are an easy way to help children learn to ride. Simply slip the stirrups over the saddle horn, adjust the stirrup lengths and, with proper adult supervision, children are ready to ride. Eliminates the time spent switching to a child-sized saddle or moving adult-length stirrups up to a child's length. Plus, the horse can wear a saddle that fits well instead of a child-sized saddle that may rub, pinch and cause saddle sores.

- Patented design keeps child more securely centered in saddle.
- Stirrup lengths easily adjust.
- Constructed of durable, weather-resistant harness leather.
- Quality nickel plated hardware.
