

• UP TO A 53-DAY SUPPLY •

AniMed's EquiTum is a proprietary nutritional blend designed for horses undergoing the stress of training, showing, trailering, performing and/or racing. The ingredients in EquiTum support healthy digestion while helping to maintain a healthy intestinal tract and proper gut flora. EquiTum supplies supplemental calcium and magnesium to help maintain proper gut pH along with the yeast cultures Lacto-Mos™ and Yea-Sacc® 1026. Lacto-Mos™ is a source of live, naturally occurring beneficial microorganisms and Yea-Sacc® 1026 improves the digestion of fiber, providing more energy for horses.

DIRECTIONS FOR USE:

Horses - provide 1 to 2 scoops two times per day. The enclosed scoop measures approximately 1 1/2 ounce.

Lot #: 000286

ANIMED™
HORSE CARE
