Program terms and conditions:

Ways to claim your rebate:

1. Online claims: Scan the QR code to be directed to the rebate claim form online, or visit ElancoCattleRebates.com.
2. Mail-in claims: Complete a mail-in claim form and submit with proof of purchase (invoice) via mail.
3. Supplier Reported Claims (EDI): Qualifying purchases billed through an EDI-reporting distributor will be aggregated at the end of the program. EDI-reporting distributor must report EDI sales to Elanco. Qualifying customers will automatically receive a rebate check in the mail. Producers who submit coupons via mail or online will not be eligible for EDI-reported claims.

Program Terms:

- Only producers are eligible for this program. Producers enrolled in any special Elanco pricing programs are not eligible for this rebate offer.
- Purchases are cumulative March 1 - April 30, 2024. Eligible purchases must be invoiced by April 30, 2024.
- Minimum rebate check amount is \$50.00. Allow at minimum 6 weeks for processing following program conclusion.
- Eligible products for the offer include: Baytril, Titanium, Nuplura PH, Component E-C, Component E-C with Tylan, Component TE-G, Component TE-G with Tylan, Compudose, Encore. All SKUs are eligible. Offers valid while supplies last.
- Products that are on backorder and qualify for the rebate offer must ship during the program term to receive the rebate. Products that are on backorder and do not ship during the program term will not qualify for any rebate in this program. All product returns will be applied toward the subsequent program payout period.
- Limit 10 mail or online claim submissions per household. Multiple proofs of purchase can be used per submission. One rebate will be calculated per submission. Qualifying rebates will be calculated for all invoices included in a submission and will not be calculated across multiple submissions.
- Mail and online rebate claim form and invoice(s) must be postmarked or submitted by May 31, 2024.
- Elanco reserves the right to vary the terms and conditions of this program or to cancel this program at any time upon notice through the website Elanco.com.

For more information regarding this rebate program and eligibility, contact your Elanco Animal Health representative or call 800-364-2014.

For all products: See label for complete use guidelines, including all cautions and warnings. Always read, understand and follow the label and use directions.

COMPONENT E-C with Tylan IMPORTANT SAFETY INFORMATION: For increased rate of weight gain in beef calves 45 days of age and older and weighing up to 400 lbs.

This implant is not approved for repeated implantation (re-implantation) with this or any other cattle ear implant as safety and effectiveness has not been evaluated: injection site swelling and inflammation, lameness, collapse, anaphylaxis/anaphylactoid reactions, decreased food and water consumption, and death; in sheep: dyspnea and death. Micotil has a pre-slaughter withdrawal time of 42 days.

DIRECTIONS FOR USE: Administer one dose in the ear subcutaneously according to label directions.

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian

- Do not use in calves less than 45 days of age or veal calves because effectiveness and safety have not been evaluated.
- Do not use in animals intended for subsequent breeding, or in dairy cows.

COMPONENT TE-G with Tylan IMPORTANT SAFETY INFORMATION:

INDICATION: For increased rate of weight gain in growing beef steers and heifers on pasture (stocker, feeder, and slaughter).

Not approved for repeated implantation (re-implantation) with this or any other cattle ear implant in growing beef steers and heifers on pasture (stocker, feeder, and slaughter). Safety and effectiveness following reimplantation have not been evaluated.

DIRECTIONS FOR USE: Administer one dose in the ear subcutaneously according to label directions.

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian.

- Do not use in beef calves less than 2 months of age, dairy calves, and veal calves because effectiveness and safety have not been established.
- Do not use in animals intended for subsequent breeding, or in dairy cows.

Baytril is sold by Elanco or its affiliates and is not a Bayer product. The Baytril trademark is owned by Bayer and used under license.
