

Stierwalt ProTouch Smoke Gray Touch Up Paint

Weaver Livestock

An ideal choice for gray colored cattle, Stierwalt ProTouch Smoke Gray is used for covering show day products and is perfect for matching, blending or enhancing the hair coat. This product can be blended with other Stierwalt ProTouch paints to achieve an ideal match.

Kirk's Tips: Gray colored cattle are hard to match with a single paint color, but this paint is different because of its adaptability and versatility. Shake well before using. Apply light, even coats until desired color and match is achieved. Smoke Gray ProTouch can change from light to dark as each coat is applied, making it perfect for blending different shades of gray together. Drying time will vary based on conditions. Use Stierwalt ProRemover or ProRefit and wash thoroughly with Stierwalt ProWash Mild Shampoo to effectively remove all show day products. For best results, this product should be used and stored at room temperature.

This product does NOT contain:

- Chlorofluorocarbons
- Ozone depleting chemicals
- Methylene Chloride

Made in the USA

DANGER: Extremely Flammable. Contents Pressurized. Vapors Harmful. See Cautions On Back Panel. Shake Well.

Caution: Contains Acetone, Propane, n-Butane, Isobutane and other proprietary ingredients. Vapors will accumulate readily and may ignite explosively. Keep product away from heat, sparks, flames, and sources of static discharge. Do not store above 120°F or in direct sunlight. Do not puncture, incinerate or discard in a compactor. Avoid contact with skin and eyes. Use directional arrow on spray head to avoid spraying in eyes. May cause eye, skin and respiratory irritation.

Overexposure to vapors may cause central nervous system depression resulting in symptoms such as lightheadedness, nausea and headache. It may also cause peripheral nervous system effects such as numbness to the extremities. Use with adequate ventilation, ensuring fresh air entry during application. If you experience symptoms of overexposure, increase fresh air or leave the area.

First Aid: In case of eye contact, remove contact lenses and flush eyes with water for at least 15 minutes. Seek medical attention. For skin contact, wash thoroughly with soap and water. In case of respiratory difficulty, provide fresh air and call a physician immediately. Harmful or fatal if swallowed. Do not induce vomiting. Call a physical immediately.

Note: Use as directed. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. **Keep out of reach of children.** Primary health concerns regarding this product are related to the solvent vapors. Once this product is dried, these warnings do not apply. See MSDS for additional information.

Limitation of Remedies and Liability: Use of this product represents acceptance of these terms. If these terms are not acceptable, return the products at once unused. If this product is proved to be defective, THE EXCLUSIVE REMEDY AT THE MANUFACTURER'S OPTION SHALL BE TO REFUND THE PURCHASE PRICE OF OR TO REPAIR OR REPLACE THE DEFECTIVE PRODUCT. Manufacturer shall not otherwise be liable for loss or damage, whether direct, indirect, special, incidental, consequential or punitive, regardless of the legal basis asserted, including contract, tort, negligence, implied or express warranty or strict liability.
