

STABILE

RIDE™

Instructions

For best results, cut Stabile-Ride to dimensions suitable to fit under the horse blanket. The Stabile-Ride pad should extend slightly at the rear and both sides of the horse blanket.

(see illustrations above).

To clean, rinse with water.

Size: 3' x 5' (90x150cm).

Made of superior quality polyester fabric coated with a high-grade vinyl compound.

STABILE-RIDE™

- **NON-SLIP**
Stabile-Ride helps prevent horse blanket from slipping and sliding.
- **EVEN SUPPORT**
Support is distributed evenly under horse blanket, providing extra cushion.
- **BREATHABLE**
Open-weave fabric provides maximum air circulation, keeping your horse cooler.
- **CLEANER TACK**
Stabile-Ride saves you time and money because it helps keep dirt and grime off blanket. Keeps blanket drier too.
- **COLOR FAST**
Stabile-Ride will not stain or discolor.
