

DR. SMITH'S HORSE VAC

- √ Removes loose hair, dirt and allergenic skin dander from your pet.
- √ Simply attach to your vacuum cleaner and brush in the direction of your pets coat.
- √ Removes hair and dust from upholstered furniture, car seats and clothes.
- √ Fits all standard vacuum cleaner hose ends. If the HORSEVAC does not fit your vacuum hose end, plastic adapters are available. To determine the adapter type, use the following guide to measure your hose end:

Male Hose Ends – Measure outside diameter

Hoover, Sanyo, Panasonic with button lock
1 3/8 inch hose end to 1 1/4 inch HORSEVAC
Electrogroom 1.5 inch hose end to 1.25 inch
HORSEVAC
2 1/4 inch hose end to 1 1/4 inch HORSEVAC

Female Hose Ends – Measure inside diameter

Filter Queen, Royal
Custom Diameter Types

Adapters are available through your local vacuum dealer, repair shop, or contact:
