

THE RACE IS OVER.....

OUR PERFORMANCE ONE BOX STALL DRINKER WINS BY SEVERAL LENGTHS

- * For corner installations in box stalls--but can be installed outdoors as well.
- * Double wall, single piece poly construction--ALL SMOOTH!
- * Foam filled--R valve of 7.5 per inch.
- * Stainless steel access plates
- * Half moon design on back corner for securing up to a 2 inch (5.1 cm) PVC tube for plumbing from above or below.
- * Model No.
 MPO1BE--Heated, Blue Color
 MPO1BN--No Heat, Blue
 MPO1RE--Heated, Red
 MPO1RN--No Heat, Red
 MPO1GE--Heated, Green
 MPO1GN--No Heat, Green
- * **WARRANTY**
 Valve and Heater--18 months
 Other Components--5 years

- * Submersible antisiphon fill valve delivers about 2 1/2 gallons (9.5 liters) per minute; simple water level adjustment, easy to clean.
- * Internal 3/4"(1.9 cm) AND external 2"(5.1 cm) drains; drinker is very easy to clean--no disassembly for cleaning requirement.
- * Optional heater, 250 watts, 110 volts. We tested this unit in a cold chamber at minus 30 degrees Fahrenheit (-34.4 degrees C). *No freezing occurred at this temperature--even after 7 days!*
- * Heating cost is minimal--less than \$10.00 per heating season.
- * Optional insulated heat tube (Model HT10) for hookup to underground service connections.
- * Available in blue, red or green.
