

• UP TO A 64-DAY SUPPLY •

MareKare is a comprehensive, premium vitamin and mineral feed supplement specifically formulated for pregnant and lactating mares. MareKare is rich in Vitamin E, Folic Acid and Calcium. Using MareKare on a daily basis provides optimal levels of the nutritional components, in proper balance, for the maintenance of peak body condition and the demands of breeding, foaling and lactation.

DIRECTIONS FOR USE:

Feed 1 to 2 tablespoons per 1000lb body weight daily mixed with normal feed ration. The large end of the enclosed scoop measures 1 tablespoon. Amount and frequency may be varied as necessary.
