

Spray 'n White®

Straight Arrow®

Spray-On Shampoo Plus Conditioning

For Whiter & Brighter Coats, Manes & Tails

Shake well before use

The revolutionary deep cleaning, whitening shampoo/conditioning spray! **Spray n White®** goes on with an even application that penetrates better for increased whitening and brightening in less time. The results will speak for themselves!

- **Deep cleaning, color-enhancing shampoo and conditioner**
- **Optical brighteners add incredible intensity to coats of light colored horses in minutes**
- **Highlights and intensifies white, gray and gold tones**
- **Helps with removal of stains including grass, manure and urine**
- **Gentle, pH balanced formula; no bleaches or peroxides**

Suggested Use: For whiter, brighter coats, manes and tails.

Directions: Pre-wet the horse to remove excessive, loose dirt. Shake well. Spray 8-10 inches away directly onto the hair. Massage in with sponge or hands until lather appears. Leave on for 2 minutes. Rinse thoroughly.

General Precautions: For external veterinary use only. Keep out of eyes and mucous membranes. Keep from freezing. If there are any additional concerns, please call us or consult a veterinarian.
