We bake LOVE into every bite!

Three Dog Baker was born from the devoted love of dogs. In 1989, three dogs (Sarah, Dottie and Amazing Gracie), two guys and one 59 cent biscuit cutter came together to create the original bakery for dogs. The bakery quickly became the place where pet parents could indulge their favorite furry, four-legged kids with yummy, all-natural treats and food made especially for them.

Today, the tradition of creating the world's best dog treats continues. We mix only all-natural, wholesome ingredients that you recognize, then oven-bake them to paw-fection.

At Three Dog Bakery we "treat" your dogs like family.

Ultra Premium Quality

All-natural, wholesome ingredients are at the heart of everything we bake. Three Dog Bakery makes our treats from scratch, like you would for your family, created with your dog's taste buds and health in mind.

We slow bake our special recipes to seal the natural flavors, aromas and nutrients into our pup-tacular treats. Keeping our products free of artificial flavors, colors and preservatives.
