Drug Facts

Active Ingredients	%	Purpose
Benzalkonium	0.13%	Antimicrobial

Uses: Controls dry, itchy and flaky skin caused by seborrhea or non-specific dermatitis. Safe and gentle for dogs of all breeds.

Warnings:

For external use on dogs only.

Ask a veterinarian if your pet has: Dermatitis or open wounds that cover large area of body.

When using this product:

- Avoid getting shampoo in dog's ear canals and eyes when shampooing or rinsing pet's head.
- Replace top after use.
- Wash hands after application.
- Store product at room temperature.

Stop use and ask veterinarian if: Redness, irritation or swelling occurs or persists.

Keep out of reach of children and pets.

If consumed, get medical help or contact Poison Control Center immediately.

Directions: Prior to shampooing, brush coat, remove knots, tangles, etc. Wet pet thoroughly with lukewarm water, giving attention to stomach and inside portion of rear legs. Apply shampoo directly to coat. Avoid contact with eyes. Massage shampoo into coat,, starting at back of head and work towards stomach and inside portion of rear legs. Lather and massage coat for 3-5 minutes. Allow lather to penetrate the fur and reach the skin. Rinse completely with lukewarm water, giving attention to stomach and inside portion of rear legs. Towel dry and gently brush coat. Keep your pet warm until coat is dry.

Cruelty Free, Biodegradable
No Salts, Oils, Alcohols, Sulfates or Parabens
Naturally Hypoallergenic

Bring the power of hemp to your dog's fur and scalp. CannaLove shampoos were developed using proprietary hemp technologies found in two U.S. patents! Functional hemp extracts deliver powerful antioxidants to help prevent environmental damage to your pet's fur and scalp. Strong yet gentle emulsifying agents aid in the removal of soil and grime, while its crucial fatty acid complex aids in preventing fur follicle starvations. CannaLove shampoos contain omega fatty acids, proteins, terpenes and other phytonutrients from hemp.

- Heals hot spots and skin irritations
- Eliminates ringworm and relieves parasitic infections
