**CAUTION:** Safe use in pregnant animals or animals intended for breeding has not yet been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

**NOTE:** This product contains hemp. Check with your association for testing rules and regulations under which you may compete.

KEEP TIGHTLY SEALED AND STORE IN A DRY PLACE OUT OF DIRECT SUNLIGHT.

AniMed's ArthAway with Hemp has a unique formulation of glucosamine, chondroitin, hyaluronic acid (HA), and MSM which is easily absorbed to help maintain the health and resiliency of joints and connective tissues, while maintaining healthy bone and joint structure and function. The addition of hemp enhances the physical and mental well being of your dog, as well as helping them support their antioxidant function.

**DIRECTIONS FOR USE:** Provide 1/2 tsp per 25 lb. of body weight, twice daily for 14 days. Then 1/2 tsp per 25 lb. body weight, once daily as a maintenance dose. Mix with normal food ration or as recommended by your veterinarian.

**WARNINGS:** For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately. Keep tightly sealed and store in a cool, dry place.

**Made in the USA**
