CAUTION: Safe use in pregnant animals or animals intended for breeding has not yet been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

NOTE: This product contains hemp. Check with your association for testing rules and regulations under which you may compete.

KEEP TIGHTLY SEALED AND STORE IN A DRY PLACE OUT OF DIRECT SUNLIGHT.

AniMed's Hip Help with Hemp includes nutritional ingredients that contain building blocks for healthy joints. Creatine is a muscle-enhancing supplement that aids in muscle healing. The addition of hemp enhances the physical and mental well being of your dog, and helps maintain a normal inflammatory response as well as supports antioxidant function. Hip Help with Hemp also contains the beneficial joint nutrient, MSM.

DIRECTIONS FOR USE: Provide 1 tsp per 25 lb. of body weight, twice daily for 14 days. Then 1 tsp per 25 lb. body weight, daily as a maintenance dose. Mix with normal food ration.

WARNINGS: For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.
