Plantacea has pelleted their hemp for ease of giving to equines but can also be given to goats, sheep, swine, llamas, rabbits, dogs, and any other animal you would like to benefit from CBD.

Our pellets are guaranteed to contain at least 1% CBD or 10 mg of CBD per gram of pellets. Because it is the whole plant other cannabinoids are present as well giving your animals a better full spectrum product.

*Because our pellets come from plant matter the contents can vary slightly with each batch. Trace amounts of naturally occurring THC may be present.*

### **Recommended Use:**

Maintenance: 1-2 Scoops 2x Daily

Pre-Race: 1-4 Scoops 2 hours prior to run

**For animals under 150 lbs. start with 1/4 scoop and give as needed.**

Dosing can vary based on the size and condition of each animal. We recommend starting with the smallest dose and increasing until you have found the perfect dose for your animal.

THC FREE
