

# Hair Dye Paste

## *Weaver Leather Livestock*

Permanent black hair color kit for touch-ups and sensitive areas

Ideal for sheep and cattle

### **From Stale to Fresh**

Hair Dye Paste gives stale hair and wool fresh, long-lasting color

### **One box of Hair Dye Paste contains enough hair dye for a 1-square-foot area**

There's no substitute for hard work, but cutting edge show supplies can't hurt. Whether you're training, fitting or showing an animal, Weaver Leather Livestock has the premium products you need to help you reach your goals.

**Quality. Heritage. Innovation. Commitment.**

### **Application Instructions:**

1. Mix color base and color developer in plastic tray using the end of the brush.
2. On a clean, dry animal, apply dye with the brush. Let dye sit for 15 minutes.
3. Rinse dye out completely until water runs clear.
4. Wash area thoroughly with your favorite Weaver Leather Livestock shampoo.

### **Contents:**

- 1 set of gloves
- 1 tube of color base
- 1 bottle of color developer
- 1 applicator brush
- 1 plastic tray for mixing

**USAGE ADVISORY: Important Safety Warnings:** Hair color products may cause allergic reactions, which in rare cases, can be severe. Tattoos may increase the risk of allergy to this product. Always wear protective hand coverings when using this product to prevent irritation, burning or allergic reaction. Conduct a skin allergy test 48 hours prior to each application, even if you have already used coloring products before. Remember to buy the product 48 hours in advance. **DO NOT USE** this product if you have experienced any reaction to hair color products or have sensitive, irritated or damaged skin. In these cases, do not conduct the skin allergy test and consult a doctor before using any hair color product. Read and follow instructions carefully. In rare cases, use of hair colorants has been associated with temporary or permanent skin depigmentation (skin lightening or loss of color). If you notice any skin depigmentation

or other unexpected reaction such as pain or severe itching, discontinue use immediately.

**Caution:** This product contains ingredients that may cause skin irritation on certain individuals or livestock animals. A preliminary test according to accompanying directions should first be made. Test product for skin sensitivity and coverage on a small patch of shorter hair on the offside/non-show side of your calf before dyeing. This product must not be used for dyeing the eyelashes. To do so may cause blindness.

**Keep Out Of Reach Of Children:** This product is formulated for livestock only. Not for human use. Due to the nature of this product, irritation may occur. Discontinue use if rash or irritation occurs. Avoid contact of this product with eyes and skin. If product gets into eyes, rinse immediately. Keep away from heat or flame. Use only in well ventilated areas. Do not ingest or take internally.

**Color Base Ingredients:** Water, Cetearyl Alcohol, Propylene Glycol, Mineral Oil, P-Phenylenediamine, Cetareth-25, Glyceryl Stearate, Dimethicone, Cetrimonium Chloride, Ammonium Hydroxide, Poluquaternium-7, Resorcinol, M-Aminophenol, Sodium Erythorbate, Disodium EDTA.

**Color Developer Ingredients:** Water, Hydrogen Peroxide, Cetearyl Alcohol, Cetareth-25, Glyceryl Stearate, Phosphoric Acid, Disodium EDTA.

**Always wear protective gloves when mixing and using product.**
