

Welactin® Omega 3 Canine

Nutramax® Laboratories

Omega-3 Liquid Skin & Coat Supplement for Dogs of All Sizes

Welactin® Canine is a rich source of omega-3 fatty acids derived from cold water fish. While using Welactin® Canine, look for a response in your dog's general appearance, activity level, attitude, and alertness.

Omega-3 Fatty Acids Have Beneficial Effects by Helping Support the Following Areas:

- **Skin/Coat Health-** Support healthy skin/coat
- **Heart Health-** support normal heart rhythm
- **Kidney Health-** Support renal function
- **Brain/Vision-** support the nervous system -trainability
- **Musculoskeletal-** support your joint function
- **Immune System Health-** support immune function

Directions for Use:

Add to your dog's food once a day according to the chart below or as directed by your veterinarian.

Body Weight (pounds)	Number of Scoops
5-9	½ EOD*
10-19	½
20-44	1
45-79	1 ½
80-114	2
Over 115	2 1/2

Your veterinarian may adjust this amount for maximum joint health benefits.

*Every other day

Instructions for Use:

- Prior to first use, flip top open to break side latches.
- Open flip top and invert bottle to dispense. Use accompanying scoop to measure appropriate volume of Welactin® Canine and pour over your dog's food.
- Store at room temperature away from extreme heat or excessive light.

Tasty formulation that supports skin, coat and overall wellness.

Welactin® Omega-3 Canine has been packaged to protect the Omega-3 fatty acids from breaking down and to maintain freshness.

Available from your veterinarian.
