

Gold-As-Sun

Cheval International

Designer Coat Enhancer for Palominos, Buckskins, and Duns!

Gold-As-Sun is an equine coat enhancer specifically created to bring out rich, golden and bronzen highlights and gleaming, healthy coats on all golden colored horses.

Gold-As-Sun was developed exclusively by Cheval for Palominos, Duns, and Buckskins, to keep their coats rich, healthy and gleaming all year round. Using all organic and GMO-FREE ingredients, **Gold-As-Sun** contains the perfect balance of seaweeds, spices, and hay specifically grown in South Dakota's nutrient rich soils, making it perfect, safe and healthy for a horse's digestive system.

For horses actively showing, try our paprika-free Show Formula.

Made in the U.S.A.

Directions for Use: Feed 1-2 scoops once daily with horse's grain. For larger horses, or during the heat of summer, you may want to double the dose. For minis and ponies, feed 1 scoop daily.

Ingredients: Western South Dakota Chopped Wheat Hay, Ground Extruded Whole Soybeans (GMO FREE), Molasses, Paprika, Multiple Seaweeds, Annatto, Riboflavin, Salt, Biotin, Bioflavinoids.

Guaranteed Analysis: Crude Protein 20% min.; Crude Fat 7% min.; Crude Fiber 18% max.
