## *Cheval International*

### **Designer Coat Enhancer for Chestnuts, Sorrels, Roans, Some Pintos & other Reds!**

**Red-D-Vinity** was developed exclusively by Cheval for all shades of red horses to keep their coats rich, healthy and gleaming all year round. Using all organic and GMO-FREE ingredients, **Red-D-Vinity** contains the perfect balance of seaweeds, spices, and hay specifically grown in South Dakota's nutrient rich soils, making it perfect, safe and healthy for a horse's digestive system.

For horses actively competing, try our paprika-free Show Formula.

**Directions for Use:** Feed 1-2 scoops once daily with horse's grain. For minis and ponies, feed 1 scoop daily.

**Ingredients:** Western South Dakota Chopped Wheat Hay, Ground Extruded Whole Soybeans (GMO FREE), Molasses, Paprika, Black Oil Sunflower Seeds, Multiple Seaweeds, Annatto, Riboflavin, Salt, Biotin, Bioflavinoids.

**Guaranteed Analysis:** Crude Protein 20% min.; Crude Fat 7% min.; Crude Fiber 18% max.
