

Cosequin® DS

Nutramax® Laboratories

Joint Health Scored Chewable Tablets for Dogs of All Sizes

Directions for Use:

The recommended initial period is four to six weeks: however, some dogs may respond sooner. The number of chewable tablets may then be reduced to the maintenance level.

Number of tablets

Weight (lbs.)	Maintenance Level*	Initial 4-6 Weeks
10-24±	½ Daily	1 Daily
25-49	1 Daily	2 Daily
50-100	1-2 Daily	3 Daily
Over 100	2 Daily	4 Daily

±Under 10 lbs., 1/*2 daily

*Once consistent response has been seen, these maintenance levels may be reduced to every other day. The maintenance level can also be used long-term on healthy dogs to help support their joints.
