## Nordic Naturals®

### Premium Omega-3 Supplement for Dogs

Natural support for healthy skin, normal joint function, eye health, and a shiny coat.

Nordic Naturals' Cod Liver Oil for dogs delivers a pure, sustainably sourced oil that is rich in the essential fatty acids EPA and DHA. Derived from 100% wild-arctic-cod- no other fish oils are used-this premium grade Omega-3 supplement offers high-quality cod-liver oil to provide comprehensive nutritional support for healthy skin and coat, normal joint function, eye and brain health, healthy cardiovascular function, and immune system function.

At Nordic Naturals, we craft our fish oils using fresh, wild-caught fish, ensuring superior quality products that are made with integrity and grounded in science. Certified sustainable and meeting or exceeding the strictest policy standards, our fish oils embody our commitment to the health of pets and our oceans.
