

Welactin[®] Omega-3 Feline

Nutramax[®] Laboratories

Omega-3 Liquid Skin & Coat Supplement for Cats

Tasty formulation that supports skin, coat and overall wellness

Welactin[®] Feline is a rich source of Omega-3 fatty acids derived from cold-water fish. While using Welactin[®] Feline, look for a response in your cat's general appearance, activity level, attitude, appetite, and alertness.

Omega-3 fatty Acids May Have Beneficial Effects by Helping the Following Areas.

- **Skin/Coat Health-** Support healthy skin/coat
- **Kidney Health-** Support renal function
- **Brain/Vision-** Support the nervous system

Directions for Use:

- Cats under 6 lbs.:
1 scoop every other day
- Cats 6 lbs. and over:
1 scoop daily

Your veterinarian may adjust this level based on your cat's needs.

Instructions:

1. Prior to first use, unscrew cap, remove seal and screw cap back on tightly.
2. Open flip top and invert bottle to dispense.
3. Measure level scoop.
4. Pour over your cat's food.

Guaranteed Analysis:

1 scoop (approx. 1.25 mL) delivers:

Total Omega-3
Fatty Acids[^] min320 mg
 Eicosapentaenoic Acid (EPA) +
 Docosahexaenoic Acid
 (DHA)[^] min265 mg

[^]Not recognized as an essential nutrient by the AAFCO Cat Food Nutrient Profiles.

Available from your veterinarian

Welactin® Omega-3 Feline has been packaged to protect the Omega-3 fatty acids from breaking down and to maintain freshness.
