

Omega-3 pet™

Nordic Naturals®

Premium Omega-3 Supplement for Dogs

Natural support for healthy skin, normal joint function, eye health, and a shiny coat.

Nordic Naturals' omega-3 supplement for dogs delivers pure, sustainably sourced fish oil rich in essential fatty acids EPA and DHA. Made with premium-grade fish oil, this omega-3 supplement provides high quality nutritional support for healthy skin and coat, normal joint function, eye and brain health, healthy cardiovascular function, and immune system function.

At Nordic Naturals, we craft our fish oils using fresh, wild-caught fish, ensuring superior quality products that are made with integrity and grounded in science. Certified sustainable and meeting or exceeding the strictest policy standards, our fish oils embody our commitment to the health of pets and our oceans.

Feeding Directions: Add to your dog's food (or serve by itself) daily according to the weight chart and instructions below.

10-19 lbs.	0.25 teaspoon	(approximately 1.25 mL)
20-39 lbs.	0.5 teaspoon	(approximately 2.5 mL)
40-59 lbs.	1.0 teaspoon	(approximately 5.0 mL)
60-79 lbs.	1.5 teaspoons	(approximately 7.5 mL)
80-110 lbs.	2.0 teaspoons	(approximately 10 mL)
111-130 lbs.	2.5 teaspoons	(approximately 12.5 mL)

For dogs 2-10 lbs. we recommend Nordic Naturals Omega-3 pet™ 2oz.

For dogs over 130 lbs. please consult your veterinarian.

Do not exceed the suggested daily use without consulting your veterinarian.
