

Pet Water Additive for Cats & Dogs

Oxyfresh®

Dental Care

No Brushing

Just Add to Water

- Freshens Breath
- Cleans Teeth
- Fights Tartar
- Fast Acting

Just Add to Water Daily

Water	Recommended	Sensitive
8 oz. (1 cup)	¼ teaspoon	1/8 teaspoon
16 oz (2 cups)	½ teaspoon	¼ teaspoon
32 oz (4 cups)	1 teaspoon	½ teaspoon

Just add it every time you fill your pet's water bowl. For sensitive pets, we recommend slowly adding to your pet's daily routine.

Ingredients:

Water (Aqua), Sodium Benzoate, Sodium Citrate, Stabilized Chlorine Dioxide (Oxygene®), Zinc Acetate, Sodium Hydroxide, Chlorophyllin-Copper Complex.

OUR STORY

Born from the idea that real pet care doesn't need to cut corners, our products are crafted with ingredients that you can always feel good about.

IT WORKS

Our secret blend of Oxygene® and zinc acetate effectively eliminates bad pet breath and helps reduce plaque and tartar formation.
