

Calming Paste for Horses

Formula 707®

Quality Products for the life of your horse since 1946

Promotes relaxation and reduces hyperactivity

- L-Tryptophan
- Thiamine

Active Ingredients:

(Min. per 30cc)

L-Tryptophan	1600 mg
Thiamine HCl	35 mg
Magnesium	30 mg

Inactive Ingredients:

Dextrose, Cane Molasses, Propylene Glycol, Silicon Dioxide, Polysorbate 80, Niacinamide, Pork Peptone, Calcium Chloride, Potassium Chloride, Pyridoxine Hydrochloride, Riboflavin, Lactic Acid, Artificial Apple Flavor, Methylparaben, Propylparaben, and Mixed Tocopherols.

Calming Paste contains high levels of Tryptophan, along with electrolytes, vitamins, minerals, and dextrose to maintain normal performance in horses.

Directions for Use:

Provide 15-30cc orally to adult horses, 1-2 hours prior to competition, strenuous exercise, racing or shipping.

Cautions:

Keep out of reach of children. For animal use only. Do not give to animals without a swallowing reflex. Store in a cool, dry place. Do not freeze.
