

# Joint 6-in-1 Pellets for Horses

## Formula 707®

Quality Products for the life of your horse since 1946

Scientifically formulated six-in-one combination to maintain healthy joints and connective tissue.

### OUR STORY

We know the importance of your horse's health and success. Over 75 years ago, in LaSalle, Colorado, we began our company with a passion for excellence in equine nutrition. Today, we continue to manufacture our products in our own facility, ensuring every step of the process delivers the freshest, highest quality product at the best value.

Formula 707 Joint 6-in-1 combines the power of six standalone joint support ingredients into one supplement. Just one serving daily supports the health of cartilage, tendons, ligaments, and joints. Administering Joint 6-in-1 can help sustain joints in performance horses and keep senior horses sound longer.

### Green Lipped Mussel- Bromelain- MSM

Supports soft tissues and healthy inflammatory response

### Glucosamine- Collagen- Chondroitin

May enhance lubrication in joints

| Approximate Horse Weight | Loading Dose Daily Serving | Maintenance Recommended Daily Serving |
