

Ulzerless Pellets for Horses

Formula 707®

Quality Products for the life of your horse since 1946

Scientifically formulated to support a healthy gut pH

OUR STORY

We know the importance of your horse's health and success. Over 75 years ago, in LaSalle, Colorado, we began our company with a passion for excellence in equine nutrition. Today, we continue to manufacture our products in our own facility, ensuring every step of the process delivers the freshest, highest quality product at the best value.

Formula 707 ULZERless is a natural supplement that supports a healthy stomach in horses. It contains ingredients that aid digestion and protect the stomach lining from excess acid. Horses in high-stress situations can benefit from taking ULZERless twice daily.

Herb Blend

- L- Glutamine- Supports mucus production
- L- Threonine- Aids in the production of mucin to protect the stomach lining
- Licorice Root- Encourages stable gastric acid levels

Approximate Horse Weight	Recommended Daily Serving
<400 lb	1/3 scoop
800 lb	2/3 scoop
Average: 1100 lb	1 scoop
>1500 lb	1 1/3 scoops+

Serving sizes are approximate and can be safely adjusted up or down if needed.

- Veterinarian Approved
- Naturally Palatable with No Added Sugars
- Encourages a Healthy Gastric System
