Ingredients:

Animal protein products, yeast extract, dextrose, L-lysine, plant protein products, hydrolyzed yeast, processed grain by-products, natural flavor, artificial flavor, roughage products, calcium carbonate, mineral oil, dried Bacillus licheniformis fermentation product, dried Bacillus subtilis fermentation product.

Hubbard does not use “restricted-use proteins” in our products and is in compliance with FDA and state requirements regarding the use, handling and storage of “restricted-use protein” products.

Profile:

Highly palatable combination of proteins and fats to encourage muscle mass, bulk and freshness while maintaining a healthy, smooth amount of fat cover.

Feeding Instructions:

Feed Yolked when extra mass and bulk are needed. Our team suggests starting at least 30 days from your target show and then adjusting feed amounts according to the animal's needs.

Pigs: 4-8 oz. per head, 1-2 times per day.

Cattle: 6-12 oz. per head, 1-2 times per day.

Goats & Sheep: 3-6 oz. per head, 1-2 times per day.

Always supply a source of fresh, clean water.

This product has been specifically formulated for pigs, beef and dairy cattle, sheep and goats and is not intended for other species.

Enclosed scoop hold approximately 8 ounces.

Benefits:

Bulk & Cover: Promote mass and dimension out of the backside of the shoulder blade.

Hide Health: Fat levels encourage freshness of hide for optimal hair growth.

Palatability: Boosts more reliable consumption. Works great to enhance appetite.

Gut Health: Added technologies support optimal digestion to help keep animals on feed.

Handle Quality: Encourages freshness to the touch.
