

Everyday Gold

TRM Ireland

Everyday Gold is a concentrated scientifically formulated and cost-effective electrolyte supplement with no fillers.

Everyday Gold is a concentrated Isotonic feed supplement designed for use in performance horses. Each 25g (0.88 oz) serving has been formulated to replace the body salts lost in ½ US Gallon of equine sweat.

Everyday Gold promotes replenishment of electrolytes in the horse.

Instructions For Proper Use:

All Horses: Add 25g (0.88 oz) to the normal feed ration daily.

For Horses in Strenuous Exercise or Warm Climates: Add 50g (1.76 oz) to the normal feed ration after exercise/ competition. 1 scoop contains 25g (0.88 oz).

Guaranteed Analysis:
