### Did you know?

The Likit Granola Stall-Ball could last anywhere from a week to a month depending on how food motivated your horse is and how you hang the ball.

### Instructions:

Securely attach a rope to the loop on the Stall-Ball. Hang the ball above eye level with your horse. To make the product last longer, hang freely so your horse can not pin it to the wall.

For Best Before date and Batch Number see the base of box.

Store in a cool, dry place away from direct sunlight.

Seasonal Advice: To avoid attracting seasonal insects, store product in a sealed container when not in use.

**Made in Great Britain**
