

OXY Momma®

Breeder's Edge®

Postnatal Vitamin

Supports lactation and recovery with multivitamins, herbs and essential amino acids

MED/ LARGE DOG

NET CONTENTS: 40 SOFT CHEWS

Female Health

Breeder's Edge® Oxy Momma® Postnatal helps meet the increased nutritional needs of lactating female dogs and cats by providing essential vitamins, minerals and amino acids. Antioxidants support healthy recovery, and herbs assist with normal milk production.

Not intended for male animals.

Feeding Instructions: Give daily to female dogs from birthing through weening.

Dogs up to 20-60 lb., give 1 soft chew.

Dogs over 60 lb., give 2 soft chews.

Store at room temperature

58°F-86°F (15°C-30°C)

Avoid excessive heat

For intermittent or supplemental feeding only.

Keep out of reach of children and pets.
