

Stacked

Sullivan Supply

Wool & Hair Amplifying Spray

Add a crisp starch feel to your show day leg wool with STACKED!

It is ideal to set and maintain volume for well- shaped leg wool on show day. No crush, no wait. Stacked keeps leg shag in place, even while setting legs or traveling around the ring. It allows the wool to remain soft to the touch and rebound back into shape after being handled, no worries about being unsightly indentions after setting legs. Also helps to stiffen the leg shag to allow for more accurate clipping.

Directions:

Shake well before each use. Blow out the leg wool so that it is clean and dry. Comb leg wool into desired position. Spray a thin layer of Stacked onto legs and comb to desired shape. Repeat as necessary. Allow to dry after final combing. Wash with Sullivan's Rejuvenate Nourishing Shampoo.
