## Intensifies Black Coats and Reduces Reddish Tones

UltraCruz Black Diamond Shampoo® intensifies black coats and reduces reddish tones often caused by sun fading in dark horses. This formula is gentle, safe, pH balanced and produces saturated rich color with brilliant highlights. The easy rinse formula is free of harsh chemicals and easily removes scuffs and stains.

### Directions for Use:

Remove excess dirt from coat, mane and tail. Apply **UltraCruz Equine Black Diamond Shampoo®** and work fully into hair using circular motions to ensure even and full application. Use a wet cloth to carefully apply to the face and ears avoiding contact with the eyes. Allow to remain on the coat at least 10 minutes. Thoroughly rinse coat, mane and tail. May slightly stain white coats and hands., use **UltraCruz® Equine Bright White** for lighter coats and gloves as needed.
