## CAUTIONS

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. Administer during or after the animal has eaten to reduce the incidence of gastrointestinal upset. An examination from a veterinarian is recommended prior to using this product. Caution with concomitant use of MAO inhibitors and sedatives.

## FOR USE IN DOGS ONLY

Recommended to support dogs with occasional diarrhea from environmental factors or dietary changes.

## DIRECTIONS FOR USE

Administer one packet daily or as directed by your veterinarian.

## WARNINGS

Not for human consumption. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.

**Made in the USA** with globally sourced ingredients.
