Ingredients:

Monocalcium Phosphate, Calcium Carbonate, Corn Distillers Dried Grains with Solubles, Salt, Magnesium Oxide, Dried Aspergillus oryzae Fermentation Product, Potassium Chloride, Mineral Oil, Zinc Sulfate, Manganese Amino Acid Complex, Manganese Sulfate, Copper Sulfate, Zinc Amino Acid Complex, Sodium Selenite, BHA (a preservative), BHT (a preservative), Citric Acid, Natural and Artificial Flavors, Vitamin A Supplement, Cobalt Carbonate, Niacin Supplement, d-Calcium Pantothenate, Riboflavin, Vitamin B12 Supplement, Thiamine Mononitrate, Vitamin D3 Supplement, Ethylenediamine Dihydroiodide.

Feeding Directions:

Target consumption based on body weight when fed as the sole source of mineral and salt.:

- 20-85 lbs. 0.5 oz. Per day
- 85-150 lbs. 1.0 oz per day
- 150+ 1.5 oz per day

If over consumption occurs, free choice salt can be provided.

Caution:

Due to the copper level, do not feed to sheep. The feeding of supplemental selenium should not exceed 0.3 ppm of total diet. The addition to feed of higher levels of this premix containing selenium is not permitted.

Feed as the sole source of supplemental vitamins and minerals.
