Crude Protein (min) .....	0.01%
Crude Fat (min) .....	0.01%
Crude Fiber (max) .....	0.01%
Dietary Starch (max) .....	0.02%
Calcium (min) .....	0.00%
Phosphorus (min) .....	0.00%
Salt (min) .....	0.01%
Sodium (min) .....	3.11%
Chloride (min) .....	7.63%
Potassium (min) .....	3.11%
Vitamin B12 (min) .....	0.08%

#### **Ingredient Statement:**

Glucose, Pullulan, Cellulose, Sodium Chloride, Potassium Chloride, Lecithin, Mint Flavor, Cellulose, Methyl Cobalamin.

#### **Feeding Directions:**

Place one strip on the gums above the upper incisor teeth or below the lower incisor teeth. May be applied immediately before, during and after exercise to easily deliver sodium, potassium and glucose.

Alternative Method: Lightly dampen one strip and wrap around the mouthpiece of a bit prior to placing the bit in the mouth.

Use caution when applying. May increase water consumption. Make sure fresh, clean water is available. **DO NOT RESTRICT WATER.**

Store at room temperature out of direct sunlight. If frozen, allow to return to room temperature before applying.
