

Vallis® Pill Chews

Pill Masking Agent for Large Dogs

Chicken Flavor 30 Soft Chews

Net Contents: 195 g

Product Facts:

Vallis Pill Chews for large dogs is formulated to be used as a masking agent or can also be used as a highly palatable nutritional treat. Fits most tablets and capsules.

Feeding Directions:

Up to 3 chews can be given to your dog in a day. Insert the pill to be given inside the chew and close the ends. Feed it to your dog like a treat. For smaller dogs, it is recommended to cut the chews in half. Always provide fresh drinking water.

Warnings:

For animal use only. Store in a cool dry place. Keep out of reach of children.
