

Coat Medic + Collagen & HA

AniMed®

Achieved through science, approved by animals®

The ultimate Skin and Coat Supplement

For horses of all classes

Helps achieve a lustrous, silky, shiny and healthy coat.

AniMed's Coat Medic with Collagen, boosted by collagen peptides and HA, is a premium mixture of amino acids, nutrients and herbals that add luster, shine and gloss to your horse's coat and mane. Coat Medic contains vitamins, minerals and plant-based omega-3 and omega-6 fatty acids essential for healthy coats. Methionine and Lysine and the unique amino acid profile of collagen peptides supports coat health. These nutrients synergize with our proprietary herbal blend of ginseng and saw palmetto to make Coat Medic an overall coat enhancer.

Feeding Directions:

Provide 4 scoops per 1,000lbs body weight for two weeks, then feed 1 to 2 scoops per 1,000lbs body weight daily for maintenance. Amount and frequency may be varied as necessary. The enclosed scoop is measured approximately $\frac{3}{4}$ ounce.
