

# **5 Star Braiding Gel**

**LeoVet®**

**The plaits stay in place for longer- the mane is well cared for.**

5 Star Braiding Gel has been specifically developed to facilitate care of the horse's mane and tail. The gel disentangles long hairs, cares for the mane, gives the hair better body and more hold for braiding. The mane and tail acquire a perfect feel. 5-Star Braiding Gel is silicone free.

## **Application:**

Take a small quantity of Braiding Gel and work it into the mane and tail. This facilitates the separation of individual strands for braiding and gives the finished plaits long-lasting hold.

**Petroleum- Free**
