

LifeSaver for Show Pigs

Weaver Livestock

For use in show pigs to maintain healthy appearance, freshness, condition and fill.

Fill bottle with water and shake to dissolve contents.

For ideal results, place the mixed bottle with 12 ounces of water to drink or directly on feed. This is an approximate amount of water needed for proper hydration. Administer every 30 to 45 minutes to achieve the fill

Ingredients:

Dextrose, Glucose, Sodium Bicarbonate, Glycine, Potassium Chloride, Sodium Chloride, Calcium Lactate, Magnesium Sulfate, Citric Acid, Ascorbic Acid, Silico Aluminate, Dried Lactobacillus Acidophilus Fermentation Product, Dried Lactobacillus Lactis Fermentation Product, Dried Lactobacillus Casei Fermentation Product, Dried Streptococcus Diacetylacids Fermentation Product, Dried Bifiobacterium Bifidum Fermentation Product, Artificial Coloring (FD&C Red NO. 40), Artificial Coloring (FD&C Yellow No. 5), Propylene Glycol Butylated Hydroxytoluene (a preservative), Calcium Silicate, Dried Skimmed Milk, Dried Whey protein Concentrate, Animal Fat and Coconut Oil preserved with BHA, Ferrous Sulfate, Zinc Sulfate, Cobalt Sulfate, Copper Proteinate, Calcium Iodate, Vitamin A Acetate, D-Activated Animal Sterol, (source of Vitamin D3), Vitamin E Supplement, Riboflavin Supplement, Niacin Supplement, Vitamin B12 Supplement, Corn Syrup Solids, Partially Hydrogenated Soybean Oil, Sodium Caseinate (a milk derivative), Dipotassium Phosphate, Mono and Diglycerides, Soy Lecithin, Natural Vanilla Flavoring.

Crude Protein, Minimum	4.80%
Crude Fat, Minimum	6.00%
Crude Fiber, Minimum	0.33%
Calcium, Minimum	0.13%
Calcium, Maximum	0.29%
Zinc, Minimum ppm	20.00

Net WT 0.22 lb. (100 g)
