

Use Vetericyn to quickly and safely heal topical wounds and infections.

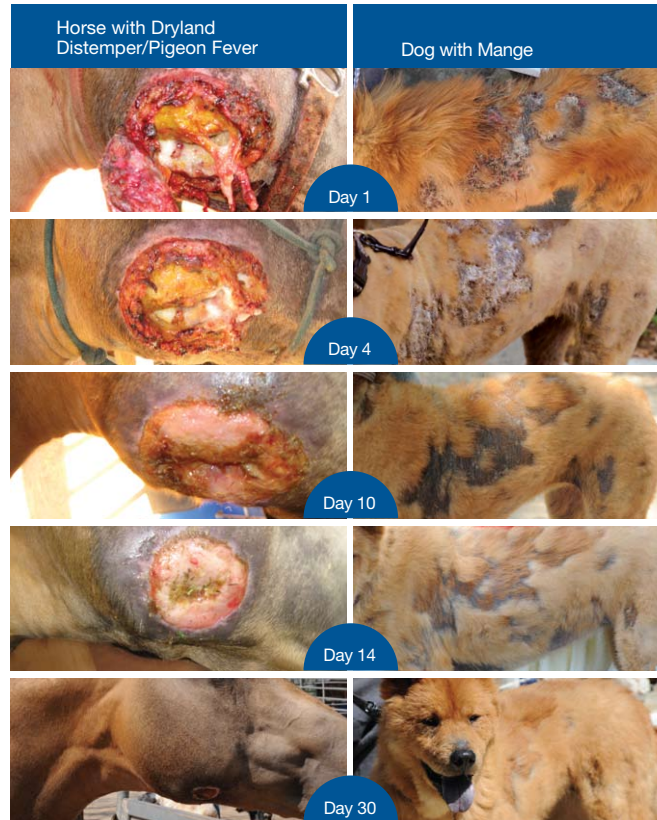

We know you care about your pets, we care about ours too. That's why we are excited to offer Vetericyn for healing your pet's topical wounds and infections. We've seen amazing results (see our website and case studies within this brochure). We are confident that you'll see the same results when you try Vetericyn.

Caring for an injured animal can be stressful. Safe as water Vetericyn nurtures your beloved pet back to health quickly, without causing additional sting or irritation to the wound.

Case Studies

Vetericyn starts working immediately to kill bacteria, fungi and viruses on contact. The case studies below demonstrate what Vetericyn can accomplish in as little as 30 days.

Vetericyn[®]
Clean • Treat • Heal

Part No. 94000 v1.2

FORMULA BASED ON
FDA Cleared
Microcyn[®] Technology

Vetericyn[®]
Clean • Treat • Heal

**Immediate-Acting,
One Step, Wound and
Infection Treatment**

Product Features

Vetericyn is based on FDA Cleared technology and works naturally with your animal's body by replicating the immune system's response to wound and infections*. Vetericyn also increases the oxygen supply to the wound promoting rapid healing, killing the bacteria which eliminates the odor.

- In solution kills 99.999% of most bacteria, single cell organisms, fungi and viruses (including MRSA, E. Coli, Salmonella, Strep, Staph, Pasteurella) in just 30 seconds
- Promotes rapid healing
- Non-toxic
- No steroids, antibiotics, alcohols or tea tree oil
- Does not sting or irritate
- Safe to use around mouth
- Does not harm healthy tissue
- Reduces chronic inflammation
- Safe as water (pH neutral)
- Speeds healing process
- Can be used on a broad spectrum of animals
- Does not stain clothing or furniture
- Extended shelf life
- No rinsing required
- Tests free for competitive animals

* Visit www.vetericyn.com website for details.
