

# **Fiebing's Mink Oil Paste**

## ***Fiebing Company***

**Waterproofs, Preserves Conditions All Smooth Leather And Vinyl**

### **Fiebing's Mink Oil Paste:**

Waterproofs, preserves and conditions articles made of smooth leather and vinyl.

### **Directions:**

Apply the Mink Oil Paste freely and work well into the leather, particularly around seams and stitching. Allow a few minutes for absorption and wipe off excess. May darken certain leathers.

The following intentionally added ingredient is included on a "designated list" pursuant to the Cleaning Product Right to Know Act of 2017: Distillates, hydrotreated light paraffinic; Lubricating oils, petroleum, C20-50, hydrotreated neutral oil
