

Thrush-Off®

Well-Horse Products

Promotes elimination of thrush on contact

Promotes healing of damaged tissue

Natural & Safe

Thrush-Off® is a unique combination of safe botanicals.

Indication: Effectively promotes the elimination of thrush (bacteria, fungi and multiple organisms) on contact. It also helps healing of damage tissues like: Abscesses – Sensitive shedding frogs – Puncture open wounds – White line infections – Hoof Canker.

Directions: Clean the frog thoroughly. Apply to affected areas with the brush as needed. For maintenance or prevention, apply once a week.

Warnings: For animal use only. Keep out of reach of children. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

This product is manufactured in a facility registered with the Food and Drug Administration and complies with Good Manufacturing Practices (GMP).

Storage: Keep tightly closed in a dry place and do not expose to excessive heat.

Saturate Thrush-Off® on the frog with a brush thoroughly.

SHAKE WELL BEFORE USE

This product is non-caustic. It can be used under pads, shoes and any hoof packing.
