Ready-To-Use

Do NOT use on Polished Aluminum

- Clean Aluminum
 - *Bare & Painted*
 - *Unpolished*
 - *Stained & Oxidized*
 - *Pitted & Discolored*
- Tough, Yet Gentle
- Biodegradable
- User-Friendly
- No Mixing Required!

Do Not Freeze

Brite Plus MX is a ready-to-use, agriculturally-based product designed for cleaning unpolished or painted aluminum. When used as directed, Brite Plus MX is user-friendly, yet tough enough to clean dirty, stained, oxidized, pitted or discolored aluminum surfaces without burning or clouding the aluminum. *When using Brite Plus MX, a cool surface temperature at application and proper rinse are very important!*

DIRECTIONS FOR APPLICATION Please read label before application.

- DO NOT APPLY THROUGH HIGH-PRESSURE WASHING EQUIPMENT
 - DO NOT ALLOW PRODUCT TO DRY ON SURFACE
1. Using a high-pressure washer, rinse as much heavy soil and buildup off the surface as possible.
 2. Ensure surface is **cool to the touch** and dry.
 3. **Spray a small test area.**
 4. Always apply aluminum cleaner bottom to top. **Do not allow to dry on the surface.** For best results, agitate with a soft-bristled brush.
 5. Rinse with high-pressure; be sure to **rinse thoroughly and pay special attention to grooves, rails and tops.**

Ready-To-Use – No Mixing Required

Do NOT use on a polished aluminum surface. Brite Plus will dull a polished appearance.

WARNING: Causes skin irritation and serious eye irritation. Harmful if inhaled as a mist.

PRECAUTIONS: If medical advice is needed, have product container or label at hand.

Keep out of reach of children. Read label before use.

PREVENTION: Wear goggle eye protection when spraying this product. Avoid wearing contact lens. Avoid breathing mist spray. Keep only in original packaging. Do not breathe mists. Wash thoroughly after handling. **IF IN EYES:** Rinse with water for several minutes, remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, seek medical attention. **IF INHALED:** Remove person to fresh air. Seek IMMEDIATE medical attention if irritation persists. **IF ON SKIN:** Take off all contaminated clothing and rinse skin with water.

STORAGE AND DISPOSAL: Store in a well-ventilated area. Keep cool. Store in closed container. Dispose of contents and container in accordance with local/regional/federal regulations.
