Ingredients:

Yeast Culture (Saccharomyces cerevisiae yeast and the media on which it was grown consisting of Ground Yellow Corn, Hominy Feed, Corn Gluten Feed, Wheat & Rye Middlings, and Cane Molasses dried in such a manner as to preserve its fermenting activity), Brewer's Dried Yeast, Diatomaceous Earth, Garlic, and Niacin.

Brewer's Yeast with Garlic Flavoring promotes healthy skin and glossy coat for dogs, horses, and birds. It is an excellent source of B-complex vitamins to help achieve a soft, silky, and shiny coat. Plus, the blend of B vitamins may help promote normal shedding and have a natural calming effect on your pet. Naturally occurring antioxidant properties help support the immune system and normal digestion for overall good health. Flavored with garlic for a taste your pet will love.

Feeding Directions: For dogs, give 1 scoop per 25 Lb of body weight. Do not exceed 4 scoops daily. For horses, give 1 cup per day. For birds, give 1/2 scoop per day. Not recommended for cats. For dogs, horses, and birds only. This product is intended for intermittent or supplemental feeding.

Keep out of reach of children.

Storage: Store at controlled room temperature; 15°C-30°C (59°F-86°F).
