Foaming Shampoo Gently Whitens & Removes Stains

For Use With The Livestock Foamer

Show Day & Daily Care

Whitening Foam Shampoo tones and whitens hair to achieve vivid white color. Mild, coconut-based cleansers gently lift dirt and stains for a clean, white appearance. Use with a Livestock Foamer for best results.

Directions: Add shampoo to Livestock Foamer, and apply directly to the dry animal. Gently scrub if needed. Rinse out thoroughly. Do not pre-wet animal before use for best results.
