

ProCharge

Weaver Livestock

Lightweight Reconditioning Liquid

Show Day & Daily Care

ProCharge replenishes and revives hide, hair and wool with glycerin and other lightweight conditioners that seal in moisture and help prevent dryness and flaking. Clove oil stimulates the hide and has naturally healing properties that help maintain hide health. Eugenol, a primary component of clove oil, has been associated with reduced hair loss.

Directions: Shake well. Spray on, then brush, comb or blow the product in.

Warning: This product can expose you to chemicals including 1,4-Dioxane, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov
