

# Rag Oil

## *Sullivan Supply, Inc.*

Deep penetrating organic conditioning treatment.

### **Description:**

Russ's Rag Oil is a superior, deep penetrating, organic skin and hair conditioning treatment that provides essential nutrition to rejuvenate dull/dry hair, control dandruff, and create fresh beautiful hair. This concentrated moisturizer is extremely rich in nourishing high-grade lanolin, olive oil, plant seed oils and VITA HAIR™ to be Naturally healthy for skin and hair. Refer to the left column to learn how VITA HAIR™ will enrich your skin and hair. The natural antioxidants contained in Rag Oil stimulate circulation within the scalp to increase nutrient absorption into the hair follicles for faster, healthier hair growth. Especially valuable during cold winter months when cattle hair tends to get dry. The ORIGINAL Rag Oil formula from Russ Brannen, an exclusive only at Sullivan's.

**DIRECTIONS:** SHAKE WELL before each use. **For a deep conditioning daily treatment**, create a mixture of 1/3 part Russ's Rag Oil and 2/3 part Sullivan's Kleen Sheen in a spray bottle. Spray over the entire body and legs in the evening before letting cattle out for the night, and skin over-night and rinse out with water in the morning. Repeat this care program. Adjust the mixture based on the outside weather temperature. During hot summer months, reduce the amount of Rag Oil to 10% and increase the Kleen Sheen to 90%. Requires no washing out.

### **How do the VITA HAIR Nourishing Vitamins work?**

**Biotin** vitamin is the first vitamin thought of when considering HAIR GROWTH. The major benefit of Biotin is its ability to strengthen both the hair breakage and dryness. This is a proven, crucial step in the natural hair growing process. Biotin enriched hair has increased elasticity of the cortex which prevents breakage. This enables healthy, FASTER HAIR GROWTH, Biotin also thickens the hair cuticle providing a fuller appearance.

**Pro-Vitamin B-5** is considered the king of all HAIR CARE vitamins. Pro-Vitamin B-5 stimulates healthy scalp circulation which leads to improved hair health. It coats the hair and seals its surface, lubricating the hair shaft making the hair shine. It possesses superior long term moisturizing properties because of its unique ability to penetrate and nourish hair.

**Vitamin E** is an antioxidant that stimulates circulation to the skin and supports capillary growth. The skin needs to have proper circulation in order to keep the hair

follicles alive and thriving. When there are more capillaries, the circulation improves leading to increased nutrient absorption into the hair follicles, which speeds hair growth.
