- Contains Emollients and Moisturizers
- Biodegradable
- *Naturally* Healthy for Hair

Infused with VITA HAIR™ nourishing vitamin package

How do the VITA HAIR™ Nourishing Vitamins work?

Biotin vitamin is the first vitamin thought of when considering HAIR GROWTH. The major benefit of Biotin is its ability to strengthen both the hair follicle and the hair shaft, where the hair is produced, which prevents hair breakage and Dryness. This is a proven, crucial step in the natural hair growing process. Biotin enriched hair has increased elasticity of the cortex which prevents breakage. This enables healthy, FASTER HAIR GROWTH. Biotin also thickens the hair cuticle providing a fuller appearance.

Pro-Vitamin B-5 is considered the king of all HAIR CARE vitamins. Pro-Vitamin B-5 stimulates healthy scalp circulation which leads to improved hair health. It coats the hair and seals its surface, lubricating the hair shaft making the hair shine. It possesses superior long term moisturizing properties because of its unique ability to penetrate and nourish the hair shaft.

Vitamin E is an antioxidant that stimulates circulation to the skin and supports capillary growth. The skin needs to have proper circulation in order to keep the hair follicles alive and thriving. When there are more capillaries, the circulation improves leading to increased nutrient absorption into the hair follicles, which speeds hair growth.

Naturally Healthy Hair...Why?

The Pure technology of Double Dip moisturizes the hair naturally with a blend of non-petroleum, non-drying emollients and conditioners. Its purity of naturally derived resources prevents the deposit of harmful minerals and toxins that could penetrate, causing dull, dry or damaged hair. Fortified with the Natural antioxidant vitamin contained in **VITA HAIR™** to strengthen the hair shaft. Biodegradable and Free of abrasives, petroleums, toxins, or solvents which can be irritating.

The daily skin and hair conditioning dip that is naturally healthy for hair. Contains **VITA HAIR™** nourishing vitamin package to condition and stimulate the skin and hair. Neutralizes any soaps left in the hair from washing, eliminating dandruff. Double Dip adds a light shine, helps repair split ends and promotes an overall healthy hair coat. Will not weigh hair down. Works very well on light, fine hair to add "pop", volume and body. Recommended for all livestock.

Directions: Shake well before using. Generously spray Double Dip once daily after washing or rinsing. Thoroughly comb into hair coat so that Double Dip detangles and separates hair, allowing comb to easily glide through hair. Also great to use when hair is dry. Leave in hair, requires no washing out.

Double Dip can also be mixed with Sullivan's Russ' rag Oil for a deep hide and hair conditioning treatment. Mix 2/3 part Double Dip and 1/3 part rag Oil.

Keep out of reach of children.
