### Feeding Directions

Manna Pro® Apple Flavor Wafers are designed to provide a nutritious treat or reward for horses. Apple Flavor Wafers will not imbalance the normal ration. Feed up to 2 pounds per head per day. Do not over feed or offer free choice.

**Note:** This product is not recommended for horses that do not chew adequately. This is more common in horses of advanced age.

**Reminder:** Feed is perishable. Store this product in a cool, dry area away from insects and rodents.

**Caution**

Do not feed any product that is spoiled, moldy, rodent or insect infested, or abnormal in appearance or odor, as it may cause illness or death.

**Warning:** This product contains supplemental copper. Do not feed to sheep or other copper-sensitive species.
