

ProPaint Base Black

Weaver™ Livestock

Matte Black Base

DANGER: EXTREMELY FLAMMABLE. CONTENTS PRESSURIZED. VAPORS HARMFUL. SEE CAUTIONS ON BACK PANEL. SHAKE WELL.

ProPaint Base Black is the first step of a two-step process for achieving a uniform black appearance on show day. Its uniquely dry formula covers adhesive without breaking it down.

Health Matters

Our products DO NOT contain toxic compound methylene chloride.

Directions: Shake well. Spray light, even coats until desired color is achieved. Once product has dried, cover with ProPaint Maxx Black. Remove using ProRefit or ProRemover, and wash with any Weaver Livestock shampoo. Store and use at room temperature. After use, invert spray can to clear valve and spray tip. Clean with petroleum solvent if clogged.

Danger: Contains Acetone, Propane, 1,1-Difluoroethane and other proprietary ingredients. Vapors will accumulate readily and may ignite explosively. Keep product away from heat, sparks, flames, and sources of static discharge. Do not store above 120°F or in direct sunlight. Do not puncture, incinerate or discard in a compactor. Avoid contact with skin and eyes. Use directional arrow on spray head to avoid spraying in eyes. May cause eye, skin and respiratory tract irritation.

Keep out of reach of children.

Overexposure to vapors may cause central nervous system depression resulting in symptoms such as lightheadedness, nausea and headache. It may also cause peripheral nervous system effects such as numbness to the extremities. Use with adequate ventilation, ensuring fresh air entry during application. If you experience symptoms of overexposure, increase fresh air or leave the area.

First Aid: In case of eye contact, remove contact lenses and flush eyes with water for at least 15 minutes. Seek medical attention. For skin contact, wash thoroughly with soap and water. In case of respiratory difficulty, provide fresh air and call a physician immediately. Harmful or fatal if swallowed. Do not induce vomiting. Call a physician immediately.

Note: Use as directed. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Primary health concerns regarding this product are related to the solvent vapors. Once this product is dried, these warnings do not apply. See SDS for additional information.

WARNING: This product can expose you to chemicals including carbon black, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
